**Subject:** Lydd Airport - Urgent

Dear Robert, Mr Stewart and Mr Ellames,

I am afraid the only one of the three of you I know personally is Robert.

I have been re-appointed as Managing Director of Lydd Airport. Whilst this appointment is effective 1st September I have authority to act now on behalf of the airport in the important matter of planning applications.

We have appointed Drivers Jonas as independent advisers. Their brief is to take an overview of all that has gone into these applications, the position of the stakeholders in the EIA, the position of SDC and to advise us on the likely outcome and ramifications to the 23rd September meeting you have scheduled.

Could I therefore request an urgent meeting, if possible with all three of you but otherwise with Mr Ellames and hopefully either Robert or Mr Stewart as well. I have in mind this coming Thursday at 1100, if not sometime on Friday but Thursday would be best. From our side will be myself and senior partners from Drivers Jonas. Naturally we wish this meeting to be highly confidential.

Please advise as soon as possible and, if this e-mail finds Robert away, could some one else take it up please.

--

Thank you and best regards

Jonathan M Gordon FRAeS
