Dear Mr Lewis

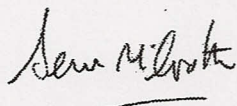

**LONDON ASHFORD AIRPORT, LYDD ("LAA")  
PLANNING APPLICATIONS Y06/1647/SH & Y06/1648/SH (the "Planning Applications")  
APPLICANT'S INITIAL RESPONSE TO COUNCIL REPORT A/09/05 (the "Response")**

I enclose LAA's initial Response to Council Report A/09/05. In light of the comments within the Response, a supplementary report will be necessary before any Council Meeting that determines the Planning Applications. Please confirm that a supplementary report will indeed be prepared.

The Response sets out LAA's clear position on the reasons for refusal. However, LAA remains of the opinion, and we refer to our previous correspondence in this regard and the initial Response document attached, that there would be a real benefit for LAA and its technical team to meet with the Council and its technical team (particularly Bureau Veritas) to seek resolution of the last few areas of disagreement. We hope that this can be arranged prior to any Council Meeting.

We look forward to hearing from you regarding the need for a supplementary report together with possible dates for a meeting between the Council, BV and LAA.

Yours sincerely

Sean McGrath
